For your convenience, a gratuity of 18% will be added to parties of 8 or more. We care about your health, our cooking oil contains no trans-fats.

*Phillips Seafood is committed to sustainable fishing practices. We lead the way in promoting global crab programs to protect the resource for generations to come. This includes encouraging the use of fishing gear that reduces by-catch and not purchasing under-sized crabs or taking pregnant females. Phillips is also committed to buying hook & line caught mahi mahi, a fishing method that promotes sustainability. For more information on sustainability efforts visit www.phillipsfoodservice.com
