## SPECIALTY DRAFTS

### EVOLUTION

#### PRIMAL PALE ALE

Evolution Craft Brewing Company is a small craft brewery on the Eastern Shore specializing in flavorful handmade ales. A golden, dry, slightly hoppy pale ale that is refreshing and balanced. Notes of pine and citrus in the aroma, a lightly malty middle and a clean finish.

#### PHILLIPS AMBER ALE

Phillips own hand-crafted ale developed by Clipper City Brewing Company, Baltimore, MD. Made from English-style hops, this beer is slightly fuller, with a firm malt character and earthy hop notes.
